GROUP PURCHASING REINVENTED

We have the volume. You get the discounts.

Let us worry about vendor negotiations.

You focus on patient care.

## ABOUT US

SourceClub is a Group Purchasing Organization and a Strategic Sourcing Partner with the mission of providing dental offices with the supplies they need at the lowest prices possible.

We are here to reinvent the way dental offices purchase supplies and interact with vendors so they can lower costs and focus on what matters most—providing the best patient care possible. With years of experience in the dental industry cultivating creative procurement strategies for organizations of all sizes, our team can “go off the beaten path” to find you the best deals, no matter your size or budget.
